A West Virginia Company

ABOUT CITYNET

Citynet is a growing, regional, full-service provider of telecommunications services and business technology solutions. Citynet currently has over 100 employees, and serves both business and residential customers in West Virginia, Pennsylvania, and Ohio.

We specialize in single source, high speed communications services. Our core products include:

- Integrated Voice, Data & Internet Services
- Wholesale Digital Phone Service
- Managed IT Services
- Customized Web Development & Hosting Solutions

Citynet prides itself on its customer service, offering live, award-winning support from highly trained and professionally certified customer support professionals, 24-hours a day/365 days a year out of our corporate headquarters in Bridgeport, West Virginia.

OUR MISSION STATEMENT

Citynet's past, present and future is linked by technology and integrity. Our mission is to become the best and most-trusted provider of communication services for businesses in the communities we serve. We will achieve this by building long term relationships with our clients, by providing reliable, innovative solutions, and by delivering unmatched customer support.
