**VIA CERTIFIED MAIL – RETURN RECEIPT REQUESTED**

West Virginia Office of Technology  
Attn: Kyle Schafer, CTO  
321 Capitol Street  
Charleston, West Virginia 25301

Re: Freedom of Information Request

Dear Mr. Schafer:

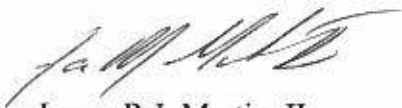

Pursuant to West Virginia Code § 29B-1-1 *et seq.*, the West Virginia Freedom of Information Action, we hereby request that the following information be produced or made available by the West Virginia Office of Technology and all of its agencies to Citynet:

1. All correspondence in any form by, between and among any employee or agent of the West Virginia Office of Technology, including, without limitation, Kyle Schafer, and any Verizon entity or employee from January 1, 2009 to the present;
2. All correspondence in any form by, between and among any employee or agent of the West Virginia Office of Technology, including, without limitation, Kyle Schafer, and any Frontier Communications entity or employee from January 1, 2009 to the present;
3. All correspondence in any form by, between and among any employee or agent of the West Virginia Office of Technology, including, without limitation, Kyle Schafer, and the National Telecommunications and Information Administration or any employee thereof from January 1, 2009 to the present;
4. All correspondence in any form by, between and among any employee or agent of the West Virginia Office of Technology, including, without limitation, Kyle Schafer, and Senator John (“Jay”) D. Rockefeller or any agent or representative thereof which refers or in any way relates to broadband funding under the American Recovery and Reinvestment Act of 2009;
5. All correspondence in any form by, between and among any employee or agent of the West Virginia Office of Technology, including, without limitation, Kyle Schafer, and Senator Robert Byrd or any agent or representative thereof which refers or in any way relates to broadband funding under the American Recovery and Reinvestment Act of 2009;

6. All correspondence in any form by, between and among any employee or agent of the West Virginia Office of Technology, including, without limitation, Kyle Schafer, and Congressman Alan Mollohan or any agent or representative thereof which refers or in any way relates to broadband funding under the American Recovery and Reinvestment Act of 2009;
7. All correspondence in any form by, between and among any employee or agent of the West Virginia Office of Technology which refers or in any way relates to broadband funding under the American Recovery and Reinvestment Act of 2009;
8. All correspondence in any form by, between and among any employee or agent of the West Virginia Office of Technology which refers or in any way relates to the expenditure of funds awarded under the Broadband Technology Opportunities Program (Award No. NT10BIX5570031);
9. All correspondence in any form by, between and among any employee or agent of the West Virginia Office of Technology, including, without limitation, Kyle Schafer, which refers or in any way relates to the proposed merger transaction between Verizon and Frontier Communications;
10. All correspondence in any form by, between and among any employee or agent of the West Virginia Office of Technology, including, without limitation, Kyle Schafer, which refers or in any way relates to Citynet, its officers and/or employees;

In accordance with W. Va. Code § 29B-1-3, we look forward to receiving your responses within Five (5) days of your receipt of this request. Please note that the information obtained hereby will be shared with the West Virginia Broadband Coalition. Citynet reserves the right to submit additional Freedom of Information Requests as may be necessary. Thank you for your attention to this matter.

Sincerely,

James R.J. Martin, II  
President/CEO

West Virginia Division of Tourism  
Attn: Betty Carver  
90 MacCorkle Avenue, SW  
South Charleston, West Virginia 25303

Re: Citynet Freedom of Information Request

Dear Ms. Carver:

Pursuant to West Virginia Code § 29B-1-1 *et seq.*, the West Virginia Freedom of Information Action, we hereby request that the following information be made available for inspection by the West Virginia Division of Tourism and all of its agencies to Citynet:

1. All information in any form which explains why RFQ COM04 was issued by the Division of Tourism rather than the Department of Commerce;
2. All correspondence in any form by, between and among any employee or agent of the Division of Tourism and any employee or agent of the Department of Commerce which refers or in any way relates to RFQ COM04;
3. All responses received in response to RFQ COM04;
4. All internal correspondence in any form by, between and among any employee or agent of the Division of Tourism regarding RFQ COM04;
5. All information in any form which indicates the person or persons who authored RFQ COM04;
6. All "scoring sheets" or similar documents with regard to the review and judging of the responses to RFQ COM04;
7. All information in any form which identifies the individuals who reviewed and/or judged the responses to RFQ COM04;
8. Any and all other correspondence in any form which refers or relates to RFQ COM04.

Betty Carver

Re: Citynet Freedom of Information Request of September 29, 2010

Dear Secretary Goes:

Pursuant to West Virginia Code § 29B-1-1 *et seq.*, the West Virginia Freedom of Information Act, we hereby request that the following information be provided to Citynet by the West Virginia Department of Commerce and all of its agencies:

1. Any and all correspondence to the National Telecommunications and Information Administration ("NTIA") in response to, or which refers or relates to, Citynet's correspondence to the NTIA dated September 9, 2009; and
2. Any and all correspondence by and between the Department of Commerce and Booz Allen Hamilton which refers or relates in any way to the Broadband Technology Opportunities Program.

In accordance with W. Va. Code § 29B-1-3, we ask that the requested information be provided within Five (5) days of your receipt of this request. Thank you for your attention to this matter.

Sincerely,
